Neighbors,

The Special Meeting that was scheduled for March 2, 2024 has been postponed.

There has been an updated bylaw draft uploaded to the website for review. The Bylaw Committee is offering a comment period that will begin immediately and cease at 5pm on March 4, 2024. Please email all comments to HOA-EaglesLanding@outlook.com. After that deadline, comments will no longer be considered for the upcoming draft and vote.

We will notify the neighborhood of the rescheduled date for the Special Meeting where there will be an official vote on the proposed bylaw draft.

Sincerely,

Magnolia Management Services, Inc. on behalf of Eagles Landing Subdivision Homeowners Association
