Good Afternoon Everyone,

First I want to say thank you to all of you who have been so patient and understanding. If you've passed by the pool you can see it's done a 360 and our new pool vendor Gonzalez Pool Services is to thank for this change. I know it's been long anticipated and I have great news for you all the pool is opening this WEEKEND 😊 While we're still working on adding exterior changes please be courteous and pick up trash before leaving the pool area. We have worked alongside the board to make this happen and our only ask is to be courteous of others, keep area clean, and simply enjoy. Any questions, issues with pool fobs, or concerns please contact us here at Lewis Companies or by email. Thank you and hope you all enjoy your weekend !!
