This notice is to inform the community that Lewis Companies has resigned management. This was not an easy decision, but one we felt was in the best interest of all involved. We will be terminating August 31, 2024. We would like for you to know that we worked for all of you. We did not feel we could move forward with the limited board and the roadblocks that we were facing. In saying this, I would also like to point out that your Board did not feel we were fulfilling our duties. We were hoping for an owner's meeting so that we could get a feel for your concerns and to help the Board and the community move forward.

With this, I would like to thank you each of you that we got to know and wish you the best in the future. Feel free to reach out to us if you have any questions.
